

### Rector: Will Pearson-Gee

**Give thanks** for many answered prayers as I had a wonderful and productive two weeks in Switzerland and returned refreshed and in one piece.

#### Please pray for:

- the provision of a curate for this year having been told – very late in the day – that there is funding for one. The chances are slim as most ordinands will have a curacy lined-up but God can do anything!

- the Lord to lead to us a new P/T worship leader;
- +Dave Bull now the new Bishop of Buckingham;
- time to complete all I need to do whilst finding sabbath rest.

On the home front please **pray for** my mother and mother-in-law's health and Lucia as she plans the sale of her mother's house.

### Associate Minister for Pastoral Care: Jo Wigley

**Praise God** for the way that He is working through in our community and church family. Praise Him for the testimony of healing that was shared at the 6pm service on Sunday.

**Praise God** for the encouragement we give each other within the church family and the way we pray and support each other in the services and through our connect group network.

**Pray for** those who are struggling with health issues and are praying for healing but not receiving it. **Pray for** persistence in prayer and encouragement for them and they would know God's peace.

**Pray for** those who have been attending the renew and thrive course and for those attending the Alpha Course. **Pray also** for the leaders and helpers on the courses.

### Connect Groups Ministry Leaders: Phil & Gill Blackledge

**Praise God** for all that is happening in Connect Groups, particularly in being the frontline of pastoral care in the church.

**Please pray** for us as we meet up individually with all the Connect Group Leaders over the next 3 months, that we gain an understanding of how we can best support them and develop the connect groups as the church grows.

**Please pray** for all the leaders as they continue to understand and meet the varying needs of those in their groups.

### Youth Team Leader: Sam Graham

Please join me in **thanking God for**

- A successful start to our split of age groups on Thursdays and Sundays
- A great start to our volunteer training course
- More people who have come forward to help with youth

#### Please pray for:

- Continued wisdom as the new groups form their culture and identity as a group
- Growth in confidence amongst our team

#### Worship:

Please join me in **thanking God for:**

- The growing relationships within the worship team
- The new musicians we have recruited in the last few months

#### Please pray for:

- God to continue to move in our worship at all services
- The integration of new musicians
- The continued recruitment process of a new Worship Pastor

### BPC Children & Families' Team Leader: Lucia Pearson-Gee

**Give thanks** for the remarkable Lighthouse team for running a fabulous session last month while I was away with encouraging numbers coming (34 children plus their parents.) and many new faces too

A big **thank you** to the Ark team for managing with few helpers and high Mums and toddler numbers! For another great visit from the Health Visitors checking the babies and toddlers development

and the encouraging feedback from the Mums.

**I am thankful** for a refreshing time away in the mountains and returning in one piece and to a house in one piece, a teenager thriving and a mother well looked after. PRAISE GOD!

#### Please pray this month for:

- A new leader/leaders for the Bubbles 0-3's group to provide circle time, a story and singing so there is continuity for these little ones and also a chance for parents to enjoy a service once in a while, so they are able to leave them

in the Tower room supervised. We would need more volunteers as the ratios for care for 0-3 is quite high.

- Easter Cracked and a great team of volunteers willing to act, serve, help with craft and refreshments. For positive responses from Grenville, Lace Hill and Chackmore schools who are yet to confirm if they will be attending.
- a productive Volunteer meeting on Zoom for the Kids groups and to find a number 2 to help me with the leadership on a Sunday.

#### **Prayer Ministry Team: Chris and Cherryl Murray**

**Please give thanks for:**

- increasing numbers coming for prayer.
  - a lovely, willing, passionate Prayer Ministry Team.
  - many being touched by the Spirit at our 6pm service.
  - service leaders, who are sensitive to the Holy Spirit.
- the continued impact of the day on Deliverance Ministry.

**Please pray for:**

- more prayer ministers for the 11 am service.
- us, on the team, to continue learning patience for the Holy Spirit to do His work.
