

Rector: Will Pearson-Gee

We give thanks for an amazing confirmation & baptism service and now look forward to Advent and Christmas. With ever-growing numbers space is going to be an issue so **we pray** for offers of help in the carpark at the 6pm, grace and patience for church family to park down at the University.

Please pray for the preparation for all our Christmas services, for new ideas, passion, great music and evangelistic preaching and a warm welcome to one and all. **Please also pray** for the team looking into the 'Case for Space' and Bristle Hill (or whatever) expansion ideas. For personal prayer **please pray** for continued good health and protection against any illness over Christmas.

Associate Minister for Pastoral Care: Jo Wigley

Praise God for:

- the way we are supporting each other within our community, through the connect groups and the way newcomers are being welcomed into the family.
- the improvement in health of some of our congregation who have been suffering with illness recently.

Please pray for:

- those who continue to suffer with long term conditions as they prayerfully await healing and those awaiting test results and treatments.
- those who are grieving a loss of a loved one or who are grieving the loss of a relationship.
- Christian marriages and friendships, that God will protect and preserve these relationships.
- those who are struggling in their faith, who are searching for faith and those who are trying to dig deeper into their faith.

Connect Groups Ministry Leaders: Phil & Gill Blackledge

Give thanks for the good number of Connect Group Leaders who are planning to attend the Christmas Party on 6th December, even though it's a very busy time of year and people have so many other commitments.

As we look forward to 2026, we realise that with a growing church there will be a need for new Connect Group Leaders. **Please pray** for wisdom as we prayerfully plan for this.

Please continue to pray for the Connect Group Leaders, that they will be inspired week by week as they serve their groups faithfully.

Youth Team Leader: Sam Graham

Please thank God that we have had a great first term of the 25/26 academic year. We have seen 17 young people take part in Youth Alpha and the depth of discipleship grow. We have heard stories of young people encountering God in their personal bible reading and taking part in praying and fasting of their own accord.

Please pray for us as we review our youth ministry vision and pray for wisdom for a wider vision for further growth.

Worship: Sam Graham

Please thank God for the continued deepening of worship at BPC. We have seen the Spirit move through our worship and even help a night of worship event.

Please pray for continued discernment for the long term vision for a Worship Pastor.

BPC Children & Families' Team Leader: Lucia Pearson-Gee

I give thanks and praise for:

- Wonderful willing volunteers for Christmas unwrapped.
- Church family stepping in to kids groups when short of help last minute and for a sense of real community within the teams.
- Great conversations with new parents at the Ark and for families beginning to come to the 11am services from the Ark.

Please pray for:

- Christmas unwrapped- for the 250 children that come to encounter Jesus in some way. For all the actors to convey the Christmas story in an accessible way that the Children will remember and be fully engaged.
- For health for all the teams over this winter period to be able to serve.

[continued overleaf]

- For The Lighthouse Christmas party- for families coming to encounter the Love of Christ.
- Wisdom / planning for how to move forward in the Lighthouse ministry into the New Year.
- Blessings on all our Christmas events and the crib service with the children narrating!

Prayer Ministry Team: Chris and Cherryl Murray

We recently held two meetings, at which we shared responses to recent training sessions, and discussed a slightly different approach to prayer ministry, during and after services.

We have a new member, a returned member, and a couple of new reserves. We still need more team at the 11 am Family Service.

Please keep praying for God to further equip us, and for us to become more sensitive to God's guidance.

We pray that everyone who came to the Waiting For Jesus service has been blessed.

Mission and Outreach: Keith Croxton

The main Mission and Outreach report is now in the MOG report leaflet.
