

### Rector: Will Pearson-Gee

We have a busy summer ahead, but **what I would most value prayer for** is (continued) clarity and wisdom for the Case for Space project as we consider commissioning a feasibility study on Bristle Hill and continue to assess other options.

#### Please also pray:

- for the 40 or so people heading off to Focus at the end of the month for a transformational experience (and fun and rest).
- for Mack as he prepares to move to Buckingham as our new worship pastor.
- for Holiday Club final planning and DTI with our youth.

On a personal note, my holiday plans are a bit disjointed, and **I'd value prayer** that Lucia and I will find some time to enjoy some much-needed deep rest together.

### Associate Minister for Pastoral Care: Jo Wigley

**Praise God** for the support offered through our connect groups and **please pray** for those in our church community who are not in a group, that we can identify those in need of support and reach out to them.

**Please pray for** those recently bereaved, and those whose loss isn't as recent, but who are still missing loved ones.

**Pray for** the lonely and lost in our town, that they will find comfort in God. **Pray that** as we encounter these people, they will see Christ in us and our actions will reflect His love.

**Pray for** those who are suffering with ill health, both mentally and physically, that they will feel God's peace and healing power.

### Connect Groups Ministry Leaders: Phil & Gill Blackledge

**Thank God** for our Connect Group Leaders. **Please pray** for them to have discernment and wisdom in their words and actions, and protection for their bodies, minds and spirits.

The first 'Growing Leaders' course finished with a celebration supper on 23rd June. **We thank God** for the huge encouragement everyone experienced as the 8 participants told their stories of

their journeys over the last 5 months. **Please pray** for them as they move forward into what they believe God is calling them to.

**Please pray** for us as we look for the right model to systematically provide new Connect Group Leaders as the need arises.

### Youth and Student Team Leader: Sam Graham

#### Please thank God for:

- the work God has done this year.

#### Please pray for:

- the build-up to the summer events such as DTI and Youth Nights.
- wisdom in planning for the 26/27 academic year.

### Worship: Sam Graham

#### Please give thanks:

We have a new Worship Pastor starting in September!

#### Please pray that:

- our new Worship Pastor will find somewhere to live.
- he will have a strong close to his degree.

### BPC Children & Families' Team Leader: Lucia Pearson-Gee

#### Please give thanks for:

- personal prayers of getting mum to Hamilton house.
- Ollie and Jade Holland stepping in to help with Ark set up and pack down.

#### Please pray for:

- my replacement as I step back from my role in September and for the right person to step in. For a passionate energetic person to take forward the running of Kids Church on Sundays as a priority in the role.
- the future of Lighthouse kids on Wednesday in the Autumn.
- a team of people to get behind Women's Heaven, with the aim of re starting in September as a women's discussion group/Bible study and time of fellowship before the community Lunch on Tuesdays.

### Prayer Ministry Team: Chris and Cherryl Murray

#### Please thank God for:

- many opportunities to pray, especially during/after 6pm service.
- four new people joining the team.

#### Point for prayer:

- People feel the Holy Spirit ministering to them, but we long for clear and deeper healing and testimonies.
