

Rector: Will Pearson-Gee

Please join me in **giving thanks** for an amazing summer - in particular for an uplifting HTB Focus, an amazing youth trip to DTI followed by one of the best-ever Holiday Clubs. God is good!

Please pray for energy as we head into a very busy September (it started with three funerals in one week), preparing for the Staycation and the annual 48hr staff retreat. **Pray that** in the busyness we can remain grounded in Him who sustains us. **Pray for** all our teachers heading back to work and for our children starting a new school year. I am hoping that when you read this, we will have appointed Lucia's replacement so **please pray** for them too. On a personal note, Lucia's mother continues hanging on by a thread so **prayers** needed for her and for Lucia.

Associate Minister for Pastoral Care: Jo Wigley

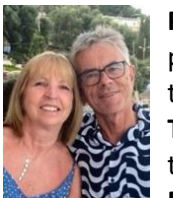

Praise God for the sense of family in our congregations, for those who actively encourage it by organising and serving at the lunches and BBQs that have taken place over the summer.

Praise God for all of those who generously give of their time, energy, and finances to serve within our church, often unseen by others but always seen by God.

Please pray for the farmers in our community who have suffered greatly during the very hot and dry summer. **Pray that** crops will recover and livestock remain healthy and that the impact on the farmers, the farm workers and their families is manageable.

Pray for those grieving loved ones, for the sick and the elderly and the lonely.

Connect Groups Ministry Leaders: Phil & Gill Blackledge

Please pray for good weather for our Connect Group Leaders' picnic on 5th September and for a wonderful time of being together before the new term begins.

Thank God for any people joining connect groups for the first time, that they will quickly settle into their groups and feel at home.

Please pray for the Connect Group Leaders meeting on 28th September - we are meeting as a whole group for the first time, to continue to engender a strong sense of community rather than on two separate evenings. **Please pray** for a rich time of sharing experiences and learning from each other.

Thank God for all he is doing in and through the groups and **please pray** for us as we look back on all that has happened over the last 12 months in order to plan ahead.

Youth and Student Team Leader: Sam Graham

Please thank God for:

- the way God moved at DTI and Youth Nights.

Please pray:

- that we hit the ground running for the new year.
- for Sam as he integrates back into Youth full time now that Mack has started.

Worship:

Please pray for:

- Mack as he builds relationships within the church, staff team and worship team.

BPC Children & Families' Team Leader: Lucia Pearson-Gee

Please give thanks for:

- a good rest for my regular volunteers over the Summer.
- parents helping throughout the 5pm Summer Sundays.

Please pray for:

- my replacement as I step back from my role in September and for the right person to step in. For a passionate energetic person to take forward the running of Kids Church on Sundays as a priority in the role.
- the future of Lighthouse kids on Wednesday in the Autumn.
- a team of people to get behind Women's Heaven, with the aim of re starting in September as a women's discussion group/Bible study and time of fellowship before the community Lunch on Tuesdays.

Prayer Ministry Team: Chris and Cherryl Murray

Please thank God for:

- Cherryl and I had the privilege of leading a Healing Service at another church in July, where someone was healed from sciatica, and someone else, who lives elsewhere, was prayed for, and their condition subsequently improved considerably.
- a new member of the team, and interest from a couple of others.

Points for prayer:

- Please pray for Cathy Barnes, who is taking over the rota from Cherryl
- More to answer the call to this ministry, particularly at the Family Service.
- All of us to learn more re listening for God's guidance.

Buckingham Churches Holiday Club

- **Give thanks** for a successful Holiday club and many answered prayers.
- **Please pray** for all the children who attended that seeds planted will grow and their journey with God will develop and flourish. **Pray also** for their families.
