Prayer for the World: Zena Greig

'Speak up and judge fairly; defend the rights of the poor and needy.' Proverbs 31:9

COP 30, the UN climate summit, will be taking place in Brazil from 10th November. A team of 40 from Tear Fund will be there alongside world leaders, government officials and other NGOs. They will be advocating for people in extreme poverty who suffer most from the devastating impact of the climate crisis

Please pray

+ that political leaders will be ambitious and committed to finding solutions.
+ for wisdom for all who have a voice at the conference, that God will give them strength and courage to speak truth to power and to stand up for justice.
+ for all those impacted by climate change especially in Nepal which has suffered repeated devastating floods.

Open Doors: Betsy Kolkea

Earlier this month I had the immense privilege of spending three days working with thirty Open Doors team members who work in their Asia region. It was humbling to experience their dedication and the sacrifices they make regularly as they travel to remote and often dangerous areas to meet with those who are at risk of persecution. It was inspiring to hear of the regular discipleship programmes they provide to help equip church leaders and members to face persecution in a biblical way.

I was reminded of the very real dangers when those whose work focuses on North Korea had to shield their faces in our team photo to protect their identity.

In Joshua 1:9 we read 'Be strong and courageous. Do not be afraid. Do not be discouraged. For the Lord your God will be with you wherever you go.'

I was reminded of that verse and was privileged to be with those who put that into action every day in very real and practical ways. **Please join me in continuing to pray** both for estimated 388 million Christians who face high levels of persecution, and for all those working with Open Doors to serve them.
