Rector: Will Pearson-Gee

As the Rwanda team prepare to fly out on the 10th, your prayers are especially needed as I lead our team of 7. **Please pray** for protection, safety, good health and above all every spiritual gift we will need to fulfil our mission. Also **pray for** the All Souls Service on the 7th and the Remembrance Day parade on Sunday 8th and that the Lord will bless me with the right words. On a personal note, **we give thanks** for the love and support we have received from this wonderful church after mother-in-law's death.

Associate Minister for Pastoral Care: Jo Wigley

Praise God for our church family. For all of those people who are being family to each other, making meals, visiting those in hospital, checking in with and praying for the members of our church family who are in need.

Please pray for those in our church family who are struggling with the effects of growing older, who are less mobile and unable to do things they used to. **Pray that** they will feel loved, seen and appreciated.

Praise God for the invaluable wisdom and experience our more senior members can and do share with the younger generations, and pray for this to be received with humility and compassion.

Pray for those grieving, the lonely, the sick and those in hardship.

Connect Groups Ministry Leaders: Phil & Gill Blackledge

Thank God for the people coming forward who feel God is prompting them to start a new Connect Group. **Please pray** that God will bless and equip them for this ministry.

Thank God that we are now able to start two new groups before Christmas, one evening and one daytime, and possibly two more early in 2027.

Please pray for us as we discuss together how to start these new groups well. **Please pray** we are able to give the support and encouragement needed especially in their first year, so that they become safe places where people can learn together how to put their faith into action.

Youth and Student Team Leader: Sam Graham

Please thank God for:

- a great staycation for the young people in which God prophetically spoke to & through young people for the first time.
- our awesome youth team volunteers who led superbly while I was on paternity leave.

Please pray for:

- wisdom and discernment in changing our model for youth ministry.
- volunteers to be strengthened.

Worship: Mack Caldwell

I'd really appreciate **prayer for** the worship team as a whole - in this season of change and the movements of God, there are new challenges to face, and exciting things on the horizon.

I'd also really appreciate **prayer for** my father and mother as they both navigate tricky health issues.

Children & Families' Team: [from Jo Wigley]

Please **continue to pray** that we will soon find the right person or people to fill the incredibly important role of Children and Families Pastor.

Praise God for the wonderful team who are covering the Children's work in this interim period.

Pray for those covering and stepping up in the interim, especially Glynnis who has stepped in to organise Sunday Groups and Christmas Unwrapped.

Pray for the schools and the children as they prepare for Christmas and to come along to Christmas Unwrapped and **please pray** for Glynnis and the team as they organise it.

Pray for all of the children who come along to church and the parents and carers who come to Ark with their little ones.

Please pray for families who are struggling, marriages that are failing and parents who are exhausted.
